### **Data protection in the production of occupational health care services**

The European Union General Data Protection Regulation (GDPR) entered into force on 25 May 2018. Vantaan Työterveys liikelaitos is the controller as referred to in the GDPR of the data it processes and that is created as it offers occupational health care services to its customers.

Vantaan Työterveys liikelaitos follows the data protection legislation in all of its operations and is responsible for all the obligations it has as the controller, including the technical and organisational measures that ensure compliance with the GDPR. Vantaan Työterveys liikelaitos informs data subjects of the processing of their data as required by the GDPR and maintains records of the processing activities. The above-mentioned documents are available at
